

1 guy. You know there was no description of someone six foot
2 or taller with an athletic build. You certainly heard no
3 description to fill that black hoodie as anyone being in a
4 six foot range and having an athletic build.

5 What you heard in addition to the people who I've just
6 talked about and Rodney Ball is the 911 tape. And you heard
7 a caller who's going to give you a description that's
8 extraordinarily useful when you're analyzing this.

9 (Whereupon, the 911 call was played.)

10 MR. MASTROIANNI: Well, there's something that doesn't
11 require you to jump too much: 5-6, 5-7, thin, thin. All
12 black, black hoodie, black pants. That is the description
13 of Mr. Kirkland. Thin, thin, 5-6, 5-7, all black, black
14 hoodie, black pants. One person. That's the person that
15 Calvin saw. That's the person that Rodney Ball saw come
16 out.

17 Put the aerial back up.

18 And when Rodney saw him and this 911 caller, everyone
19 has been called a liar by the defense. Everyone lies.
20 Everyone buys and pays for testimony. Everyone doesn't put
21 things in their statements. Everyone lies.

22 There's one 911 caller who is scared out of her mind
23 who gives a description that is completely accurate and in
24 line with what everyone else tells you and what the evidence
25 shows.
