

1 TROOPER O'TOOLE: Where did he  
2 come from?

3 KAREN FULLER: He came from out  
4 of the house.

5 TROOPER O'TOOLE: What house were  
6 you at?

7 KAREN FULLER: At the Cambridge  
8 house. I don't know the address. Right  
9 there on the corner.

10 TROOPER O'TOOLE: The duplex on  
11 the corner?

12 KAREN FULLER: It's a duplex,  
13 yes.

14 TROOPER O'TOOLE: The one that  
15 would be facing down on Burr Street.

16 KAREN FULLER: Yes.

17 TROOPER O'TOOLE: Right on the  
18 corner there?

19 KAREN FULLER: Right on the  
20 corner.

21 TROOPER O'TOOLE:  The one that  
22 has been crazy house forever, that one?

23 KAREN FULLER: That one.

1       \* And he hangs over there all the  
2       time.

3               I'm just thinking--

4               TROOPER O'TOOLE: Who is he?

5               KAREN FULLER: Trevin, I picks  
6       him up over there all the time.

7               TROOPER O'TOOLE: Yeah.

8               KAREN FULLER: But I had a  
9       feeling. In my mind I had a feeling  
10      something going on because he is not  
11      really talking to me.

12              He's just telling me not to ask no  
13      questions.

14              But for him to put me in this  
15      situation --

16              DETECTIVE DUDA: Do you know if  
17      he knows Kirkland.

18              KAREN FULLER: Who?

19              DETECTIVE DUDA: Tamik, whatever  
20      you call him on the street.

21              KAREN FULLER: I don't know. I  
22      don't know nothing.

23              DETECTIVE DUDA: Did you ever

1 TROOPER O'TOOLE: Who was there?

2 KAREN FULLER: ~~X~~ I don't know. It  
3 was just a house he hangs at.

4 I never been inside. I just pick  
5 him up on the corner.

6 I just always see a bunch of people  
7 hanging out.

8 TROOPER O'TOOLE: Okay.  
9 So then what happened next?

10 So he calls you, tells you to go to  
11 Cambridge.

12 KAREN FULLER: I said:  
13 "Okay. But I have got to take the  
14 baby to tutoring. She gots to be to  
15 tutoring at 12:30."

16 TROOPER O'TOOLE: Okay.

17 KAREN FULLER: So we are on our  
18 way to the car, putting the kids in the  
19 car, and he pulls up.

20 TROOPER O'TOOLE: All right.  
21 What kind of car do you have?

22 KAREN FULLER: I have an '05  
23 Chevy Impala.
